UKRAINIAN TORTURE CAMPS UNCOVERED! BEATINGS AND MEDICAL NEGLECT FREQUENT!

1. Overview

Accordingly to News uncovered by a National Ukrainian Newsletter censored.net, four Servicemen had been rescued from an abandoned House at Petropavlivska Borshchahivka, which was used to house operations for Members of Ukrainian's National Guard, the Avoz Battalion.

"*According to Kryvonos, four soldiers turned to the Office with reports of beatings at the temporary deployment point in Petropavlivska Borshchagivka.*

Previously, military ombudsman Olga Reshetylova reportedthat the Office knew about the private house in Petropavlivska Borshchagivka, where the temporary deployment point of the military unit of the National Guard was located. According to her, there were 16 mobilized people waiting to be sent to basic general military training. Four more needed medical attention; two of them were returned from voluntarily leaving the unit. They learned about this house in the Office from one of the soldiers who was there. In October, his lawyer contacted the ombudsman and informed him that the man in the military unit was not being provided with the necessary medical care." [1]

A Ukrainian Woman Greeted Troops With a Soviet Flag. Now, She Tells Putin to Stop Killing Ukrainians.

Anna Ivanova has emerged as a symbol for Russian propaganda, inspiring monuments across the country. But her tale is one of grief and poverty in the post-Soviet world.

WSJ The Wall Street Journal / May 29, 2022

Since the 2014 Coup by Ukrainian Nationalists which sought to subordinate Ukraine to European Imperialism rather than Russian Imperialism, the Ukrainian Campaign of De-Communisation had been intensified so as to make all Communist Parties and Organisations in Ukraine completely illegal; hence empowering the Bourgeoisie even further and making the Ukrainian Proletariat even more powerless; the usage of Ukrainian Chauvinism to unite the Ukrainians Politically across Class boundaries and hence, unifying the Bourgeoisie as a Class in order to collectively crush the Proletariat; the hallmark for the beginning of a Fascist Regime!

Likewise, its War against Russia is not a War between a Liberator and Oppressor Nation, but instead an Interimperialist War over the Crimean Territories; in which the Crimeans themselves despite voting in favour of Russian integration, had continued to also be victims of Putin's Neo-Kerenskyite, Anti-Worker Regime.

In other words, the Ukrainian and Russian Proletariat have no stake whatsoever in standing behind either State; both of whom exercise their own Imperialism over the People of Crimea!

Russian Imperialism has shown its absolute barbarism, even by Communist Sympathisers like the Ukrainian Anna Ivanova, who told Putin to stop killing Ukrainians for an Imperialist War! [2]

REPORT OF 8TH OF NOVEMBER ANTIFA RALLY

2. General Report

On the 8th of November 2026, the Neo-Nazi March for Australia Campaign had organised another Rally in Sydney; in response the Refugee Action Coalition Sydney had organised a Counterrally. The NSW Police alongside the Australian White Supremacists succumbed to the pressure and had been driven off together with help of Police escorting. In response however, one of the Campaign's main organisers had decided to call off the March as soon as the Victory occurred!
We could not even stay for at the very least an Afterparty that could perhaps be used for any Press coming along in order to spread our Agenda of welcoming Immigrants and coming off as a Progressive Force in Australia against White Australian Reactionism but perhaps even use

the opportunity to extend our Campaign into means of recruiting via a Coalition of our own independent Presses; between Solidarity, Green Left and even our own Workers' & Tenants' Monthly!

This is an absolutely Opportunist Position taken by the Leadership of the Campaign, who used the pretext of "public safety" even when the Fascists were successfully fended off!

It is therefore the demand of Workers' & Tenants' Monthly on behalf of Australian Marxist-Leninists at both our own "Workers' Party of Australia" and Bread & Roses for the Opportunist Leadership of RAC be fully held accountable to their grave sin of calling off a successful Campaign prematurely; a successful Campaign that we otherwise could have used as a Coalition to further the cause of Australian Leftism for Immigrants and other of our Country's Oppressed People, in the interests of Workers, Tenants and Democracy!

STALIN WAS INNOCENT!

"Not everyone who says to me, 'Lord, Lord,' will enter the kingdom of heaven, but only the one who does the will of my Father who is in heaven" "Then the righteous will answer him, 'Lord, when did we see you hungry and feed you, or thirsty and give you something to drink? When did we see you as a stranger and invite you in, or needing clothes and clothe you? When did we see you sick or in prison and go to visit you?' The King will reply, 'Truly I tell you, whatever you did for one of the least of these brothers and sisters of mine, you did for me'" "Truly I tell you, whatever you did not do for one of the least of these, you did not do for me. Then they will go away to eternal punishment, but the righteous to eternal life."

Stalin provided work, food and shelter to people in need. Capitalism exploits people with the hypocrisy of presenting itself as a just system. Christianity is seen with actions and not with words, if Heaven exists, Stalin is there walking with Jesus.

3. Overview

The Soviet Union under Marxism-Leninism-Stalinism had been the most successful Socialist State to have ever existed as it had lifted Russia and Albania from Monarchist Backwardness and transformed their Countries from giant Swamps into Urbanised Powerhouses that had provided the People with basic running Water, Irrigation from Collective Farming, Education, equal voting rights for Women and Nationalities and had liberated Europe from the Buwark of Hitlerist Fascism!

But as General Zhukov said, the World of Liberal Capitalism never forgave the Soviet Union for things it never done; and why? The reason is something exactly we will establish later on once we finally dispute popular discontent towards Marxism-Leninism-Stalinism and the main motivations behind them!

4. Katyn Massacre; Done by the Nazis, used to frame the Soviets!

Here we will use Sources from the 1944 Burdenko Commission alongside independent Testimonies from Polish Prisoners of War Families, Soviet War Veterans and Camp Guards, etc etc.

The original 1944 Burdenko Commission had shown using a collection of Letters, Receipts Diaries to show that the Katyn Victims massacred supposedly by the USSR in 1940 were actually alive well until 1941 when the Germans captured the Camps that they were sent to in Smolensk.

Polish Bourgeois Academia therefore subsequently claimed that these three Special Camps in Smolensk never actually existed! So let us see what Sources have to say.

Our first example is a Camp Guard A.A Lukin, who wrote

the following;

“*«The question was very difficult: it is necessary to evacuate, and German planes fly over the highway at an altitude of 10–15 meters, all roads are cluttered with refugees, and not only highways, but also country roads. It was very difficult, and there were very few cars. We used those cars that stopped, disembarked refugees, took away cars and loaded the Polish population from the Katyn camp into these cars».*” [3]

Another includes numerous War Veterans and their own independent Testimonies;

“*A former cadet of the Smolensk Rifle and Machine Gun School, now a retired colonel, Ilya Ivanovich Krivoy, in his statement to the Main Military Prosecutor's Office of the Russian Federation dated October 24, 2004, described in detail the facts of his meeting near Smolensk in the summer of 1940 and at the beginning of the summer of 1941 with escort prisoners of war Polish officers and Polish ordinary soldiers.*

Muscovite Xenophon Agapov, a former spectrometer at the metallurgical plant № 95 in Kuntsevo, reported that from October 31 to November 26, 1941, he traveled from Moscow to the city. Verkhnyaya Salda, Sverdlovsk region, in one evacuation train, along with about 80 captured Polish officers who managed to escape from a camp near Smolensk.

War veteran M. Zadorozhny, a former intelligence officer of the 467th Corps Artillery Regiment, wrote a letter to the newspaper «Working Way» (Smolensk), in which he said that in August 1941, during the 467th Artillery Regiment's exit from encirclement near Smolensk, a soldier in the uniform of NKVD border troops came running to the location of his unit and said that «...The Germans broke into the location of the Polish prisoner of war camp, shot the guards and shot the Poles. And this soldier managed to escape».
(Working Path № 7 (20189). 9 January 1990)“

As well as numerous other Testimonies from Poles who knew Katyn Victims themselves!

Romuald Swiatek, a Polish Emigrant from London, the Author of the book on the Katyn Forest was imprisoned in 1950 in the Vorkuta and then in the Norilsk camp. In prison, he met German and Polish Prisoners who claimed that camps with Polish prisoners of war near Smolensk existed even after the occupation of these territories by the Nazis.

We now take the accounts of Vaclav Pych, who’s Testimony was summarised in the excerpts from the Article cited above;

“In a statement by V. Pykh reported that in 1939–1941, while in Soviet captivity, he actively collaborated with the NKVD in Soviet prison camps. After the outbreak of World War II, he, along with other Polish prisoners, was evacuated to the Starobelsky camp, and from there he was sent by the NKVD to camps with Polish officers near Smolensk in order to assist in organizing their evacuation. Pyh ended up in the camp № 2 special purpose a few hours before it was captured by the Germans. According to him, at that moment everything in the camp was ready for evacuation, but the Polish officers were not going to evacuate «laid in barracks on beds» and they actually sabotaged the departure. Attempts by V. Puffing to convince them to start evacuating led nowhere. Moreover, some officers began to threaten him with physical harm. Pykh was captured by the Germans in the camp and, according to him, they later tried to shoot him in the Goat Mountains. However, as he writes, the German who shot him was very drunk and therefore only seriously wounded him. After some time V. Pykh regained consciousness and got out of the grave. Then he managed to contact the partisans and crossed into territory controlled by Soviet troops. After treatment in the hospital V. At the end of 1941, Pykh joined Anders’ army, which in 1944 arrived in Italy through Iran, Palestine and Egypt, to a base in the city. San Basilier.”

“IN THE. Pykh also reported that «a refugee from Katyn» Roland Mersky’s attempt to give truthful testimony about Katyn to the British ended tragically. He was killed by Polish counterintelligence officers. Pykh was saved from death by a miracle.”

How could Pych have possibly made up Testimonies, when such encounters were consistent with narratives of Soviet War Veterans? The same Testimony which was actually ignored by Official Soviet Narratives? Alongside the assassination of Mersky by Polish Intelligence Officers, it would seem like there is a lot of truth about the Perpetrators of the Katyn Massacre which is deliebrately being censored!

At last, we have the Testimony of Anna Rogailo, the abridging of the Testimony is once again found in said Article;

“In the summer of 2006, the authors of the study «Secrets of Katyn» received an Internet message from Tyumen resident Anastasia Mironova, in which she reported that her great-grandfather Rogailo Poluyan Mikhailovich, born in 1884. (Rogajto Polujan, s. Michata,

urodz. 1884, an officer in the Polish army, was held in the Koziel prison camp, was transferred to a camp near Smolensk in the spring of 1940 and shot by the Germans in the Kozyi Gory tract in the autumn of 1941. She learned all this from the words of her grandmother Alexandra Stepanovna Yakovlenko, born Anna Poluyanovna Rogailo (daughter of P. Rogailo).

A. Mironova said that her grandmother said the following. When in 1940 it turned out that her father — P. Rogailo was transferred from Kozelsk to a camp near Smolensk, she and her mother Katarzyna Rogajlo:

«... moved there and tried to keep in touch with him, got food, and every time the prisoners were taken to work, they tried to get close to the column and find out at least something about my great-grandfather, give him food and linen...

...After the Nazi attack on the USSR, my relatives lost the opportunity to contact the prisoners, in addition, they themselves had to hide, but —until that time (until the summer of 1941), they received regular information about him...

In July 1941, my grandmother's mother, Katarzyna Rogajlo, was arrested, and nothing is known about her fate; my grandmother, Anna Rogailo, 15 years old, was sent to Krasnoyarsk along with a column of other teenagers from the occupied territories (Smolensk resident Inessa Yakovlenko introduced my grandmother as her niece and sent her to evacuation)...».

So Anna Poluyanovna Rogailo became Alexandra Stepanovna Yakovlenko. However, her relatives called her Anna. In 1943. AND. Yakovlenko sent Anna-Alexandra Rogailo-Yakovlenko a letter in which she said that the Germans shot her father Polykarp Rogal, along with other Polish prisoners, in Kozy Gory in the early autumn of 1941 (the letter is kept in the family of A. Yakovlenko)."

Reactionaries had made the claim that Rogailo and Rogayla were different People because of their different Birth Dates of 1884 and 1888 respective.

But come to see, Rogailo's first Family survived and still lives in the UK with his Son from his first Marriage still bearing the Rogailo Surname!; furthermore, contrary to an Official Copy of Rogailo's death Certificate which claims that Rogailo was executed in 1940, the Family had kept a Letter from a Smolensk Resident which said that Rogailo had been shot by the Germans in 1941!

There is no reason not to believe Anastasia Mironova. She is not going to use her Relationship with the Polish Lieutenant who died in Katyn for Monetary reasons. Her interest in the fate of her Relative arose only after She was refused a Polish visa twice and she spoke on the Internet about her problems with traveling to Poland. She was also prompted to do this by the fact that her Grandmother

Anna-Alexandra Rogailo-Yakovlenko also at one time they were not allowed to go to Poland. It is very strange with the special attention of the Polish authorities to the Relatives of the Katyn Victims.

Furthermore, surviving German Testimonies also confirmed German complacency in the Katyn Massacre;

"The fact that after the occupation of Smolensk by the Germans, Polish officers were in its vicinity is evidenced by the report of the commander of the Einsatz group at the headquarters of Army Group «Center» Franz Stagletzker addressed to the head of the Main Directorate of Imperial Security Reinhard Heydrich on the actions of the group for the period from August to December 1941, which indicates:
«...Followed the main order given to my group, — cleared Smolensk and its environs of the enemies of the Reich — Bolsheviks, Jews and Polish officers» (the original is kept in the archives of the New York «Yiddish Scientific Institute», copy — in the archives of the Union of Anti-Fascist Fighters in Prague)."

From multiple independent Sources verifying the existence of Camps which held Polish Prisoners until the 1941 occupation by Nazi Germany, it is clear that the claim that the Soviet Union massacred Polish Prisoners deserve scrutiny, especially when the original discoveries were conducted by Nazi Germans during the height of their Campaign against the legitimacy of the Legacy of the Soviet Union and its role for fighting the War of Liberation against Fascism!

5. <u>Collectivisation</u>

The idea that Stalin and the Soviet Union sought to collectivise Agriculture forcefully is complete nonsense! Stalin himself actually laid out in his article titled "Dizzy with success" the fact that the Soviet Union's Official Policy was fully voluntary collectivisation of Agriculture; the process of which was sabotaged by Local Party Authorities who had forcefully collectivised Agricultural Farmlands largely for Political Prestige;

" Can it be said that this line of the Party is being carried out without violation or distortion? No, it cannot, unfortunately. We know that in a number of areas of the U.S.S.R. , where the struggle for the existence of the collective farms is still far from over, and where artels are not yet consolidated, attempts are being made to skip the artel framework and to leap straight away into the agricultural commune. The artel is still not consolidated, but they are already "socialising" dwelling houses, small livestock and poultry; moreover, this

“socialisation” is degenerating into bureaucratic decreeing on paper, because the conditions which would make such socialisation necessary do not yet exist. One might think that the grain problem has already been solved in the collective farms, that it is already a past stage, that the principal task at the present moment is not solution of the grain problem, but solution of the problem of livestock and poultry-breeding. Who, we may ask, benefits from this blockheaded “work” of lumping together different forms of the collective-farm movement? Who benefits from this running too far ahead, which is stupid and harmful to our cause? Irritating the collective-farm peasant by “socialising” dwelling houses, all dairy cattle, all small livestock and poultry, when the grain problem is still unsolved , when the artel form of collective farming is not yet consolidated — is it not obvious that such a “policy” can be to the satisfaction and advantage only of our sworn enemies?”

Even Britannica, the most Bourgeois of Sources, admitted that almost 60% of Farms that were forcefully taken away by Local Party Officials were returned until later on when they were collectivised voluntarily! [4]

Therefore, unlike how we needed to dispute Soviet complacency in the Katyn Massacre, the idea of institutionalised forced collectivisation was an almost comical lie!

6. Great Terror

The idea Stalin was a Terroristic Traitor who killed the Old Bolshevicks for personal power was completely false!

Stalin was a Member of the Rakbrin; the Anti-Bureaucracy Organ of the Communist Party before being merged with the State Central Control Commission; the same two Organs that were exclusively run by the Soviet Working Class Intelligentsia, or in other words Workers who rotated between Party, State and Civilian work, representing on behalf of the rest of the Soviet Working Class! [5]

Trotsky himself alongside Kamenev and Zinoviev were actually expelled not by a Meeting of the Soviet Police and Generals but instead by a joint Central Control Commission and the Communist Party Central Committee; the same Organisations run by the Soviet Working Class themselves, in response to the United Opposition organising a Faction against the Soviet Workers who demanded Stalin’s immediate end to the NEP; or the Free Market Economy that prevailed in the Soviet Union at that time that

allowed the Kulaks and NEPMen to exploit the Soviet Workers for self enrichment! The NEP and Kulaks were what Trotsky stood for, and what Stalin ultimately abolished, with the approval of the Soviet Workers themselves!

However, an Opposition inside the Soviet Party still existed; an uneasy alliance between Bukharin, who provided the Economic Programme to restore Capitalism by returning Property to Private Farmers, as well as Tukhachevsky who would overthrow the Communist Party's rule and install a Military Dictatorship over the Soviet Union. [6]

The Trial in question is also reliable since also unlike the lie that Bourgeois Media claims which was that Bukharin was tortured into confessing, he had consistently denied very specific Crimes like espionage, Terrorism, assassinations, collaboration with Foreign Axis Police etc etc; which means that torture simply couldn't have been the main motivation behind Bukharin confessing to wanting to restore Capitalism inside the Soviet Union, all supported by the Lithuanian Minister supported by the US Historian State Office alongside German Telegrams supporting a Military Junta in the USSR for renewed Relations Foreign Minister Konstantin von Neurath's letter to Hjalmar Schacht, dated 11 February 1937. [7]

Stalin's destruction of certain Old Bolshevicks therefore was not out of personal malice, since he himself and the Faction inside the Communist Party had no ability to enrich themselves via greater exploitation, precisely because the Programme they protected against the Trotskyists and Bukharinists is the Programme they ended up upholding; the full victory of Socialism in the USSR; Statification of Property, subordiation of all production to a State Command in order to eliminate individual productive motivation and the subsequent destruction of Wealthy Profiteers, all in the interests of the Soviet Working Class Intelligentsia!

7. Lidia Pereprygina

Do we even need to take this seriously, considering even the estimates for Lidia Pereprygina's alleged Son with Stalin, Alexander Davydov, assuming he even was born in August the 27th 1917 like in the recently uncovered Church Metricbook, Stalin himself had left Kureika in November 1917 accordingly to a Letter, a Signatory specifically in which it showed that Stalin had left the Kureika Region by the 20th of November; easily over ten Months before Davydov was born! [8]

Likewise, although Stalin most likely had visited Kureika again, it was only an assumption; and especially not one that could establish Stalin's Paternity for Davydov due to the fact that he

did not even live with Lidia after he initially left!

Likewise, the 2016 DNA Test by BioPapa between Burdonsky and Yuri Davydov also largely is inconsistent due to the fact that not only was Stalin's
Paternity pre-established by the fraudulent 1956 Memorandum which had very inconsistent lies about Stalin's apparent affair with Pereprygina by claiming he had a Child with her in 1913 and got into a fight with Laledin who tried convicting S tjhaalin, but it was shown that Laledin never convicted Stalin and that such a Child by 1913 never existed! [9]

Such is the nature of the laziest lie, which even was somewhat refuted by the Autosomal Test which showed that Davydov and Burdonsky couldn't possibly be any more unrelated; with the Y Chromosome results extremely limiting as they had refused to test across more than simply 16 Loci out of the near 400 Loci that exists on a Y Chromosome!
[10]

When the Bourgeoisie has to resort to even the most laziest of lies, lies which cannot even get Facts and Timelines correct, it is very ridiculous of us to take such accusations of Child abuse seriously when nothing of those accusations line up with verified reality.

On the contrary, Stalin and the Soviet Union by abolishing Private Schooling and allowing Youth to organise Politically, actually very much institutionally prevented Child abuse by allowing Children to be protected by the Workers' State that had shown to the exploitative Capitalist West that a World without exploitation was possible; the same World that lifted Russia and Albania from Backwards Swamps into Urbanised Countries that boosted Livelihoods of People in every single possible Metric; Employment, Healthcare, Education etc etc!

GAZA FLOODS AS ISRAEL CONTINUES THEIR GENOCIDE!

8. <u>Israel's Genocide of Gaza</u>

Israel was founded as a Colonialist Project by the British Empire in Palestine in order to impose British interests in looting the Middle Eastern Regions for Imperialist Superprofits especially against the Soviet Union, and in the present day against Russia, China and Iran.

From the first Settlements in Palestine by Israeli Imperialists, the People of Palestine were expelled from their Homes and Land; subsequently losing all employment and Shelter and being forced into Ghettos in Gaza and the West Bank.
Hamas, which was formed by the Palestinian Militants as a Just means of armed resistance against Israel, had had fought tooth and nail in an ongoing Struggle to liberate the Palestinian People from Israeli Imperialism. As a result, since October the seventh, Israel has only intensified its Genocide of the Palestinian People in order to fully steal all of Palestine's Resources for the Superprofits of both the British Empire and their Israeli Puppet State!

As of recently, the Genocide in Gaza has been worsened by Flooding; which is one of the complications that in fact is contributing to the creation of outright

Famine in Gaza!

The Communist Position on Palestine, as Hamas, just like Hezbollah, is a People's Militia fighting against Israeli Imperialism and Genocide, must be supported whilst making sure it is subordinated to a wider People's and Workers' Struggle as well as to purge all Opportunist Strains inside their Militaries; such as the Opportunist Iranians trying to subordinate and "purchase" the Hezbollah for their own Imperial benefits.

With the full independence of the Palestinian and Lebanese People over their People's Militias and in the context of there being an emergency takeover by Foreign Iranian and Israeli Opportunists of Factions of Hezbollah's and Hamas' Leadership as well as a lack of institutional discipline, it is imperative that the People of Lebanon and Palestine begin a Cultural Revolution against Iranian and Israeli Elements inside their People's Militas in order to fully be able to fight in solidarity with us Communists for the end of Israeli Imperialism as well as expelling Iranian attempts to infiltrate and coup the Societies of Palestine and Lebanon; as one of the major steps needed for the Workers and Oppressed People of the World to construct a Federation of Fraternal Civilisations built upon the interests of Workers, Tenants and Democracy!

EPSTEIN'S CANNIBALISM AND CONNECTION TO 9/11???

9. Epstein Files' allegations of Cannibalism???

Jeffrey Epstein was an American Financier who was convicted of Human trafficking and was a Sex Offender responsible for trafficking Children en masse by using his tremendous Wealth and Political influence in order to bribe Politicians like Donald Trump.

However, upon looking at some FBI Interrogated Allegations involving a supposed Witness to one of Epstein's Parties, the description is entirely abbhorent as it involved Cannibalism and mutilation of Babies!

"further stated in sum and substance that while on a large luxury ship, that sailed out of the Newport boat show in Newport, Rhode Island (SeptemberIIIII, at approximately eight years of age he ( )was subjected to some type of "medical" exam about the yacht by unknown doctor while his great uncle ( )and family member were present. went on to describe a bizarre event in which inserted a tape measure in his ( ) rectum. stated subsequent to the "exam" he was then raped (sodomized) by JEFFREY EPSTEIN as well as former United States President, WILLIAM J. CLINTON, while in a "heavy drug induced state". also stated the bottoms of his feet and back were slashed. further stated also during the said yacht trip multiple unknown male Blacks were engaged in sex acts with unknown female Whites, who had their backs slashed and were bleeding. also described several infants being killed and their intestines removed as well as other acts of cannibalism. also sated that former United Sates President, GEORGE H.W. BUSH (engaged in a sex act with an unknown male Black), former United Sates Secretary of State, HENRY KISSINGER and businessman GEORGE SOROS were present on the same yacht while all of the aforementioned acts of violence were occurring. was then asked if he had and injuries or scars as evidence, to which responded " on my anus". was unable to provide any supporting or corroborating evidence or the identities of any witnesses to support his claim of victimization. did provide a handwritten list of his family and extended family members and it was not clear what investigative value, if any the list held. also sated that his great uncle, is in possession of video evidence of his crimes against as well as several "snuff films", that had watched in the presence of his great uncle ("

[11]

Whether such allegations are sensationalised or legitimate is up to debate. It is definitely left our in the air that such serious Crimes even were thrown as accusations in the first place.

What we do have substantial evidence for, is Epstein's overwhelmingly Pro-Israeli Positions

and his support for Israel's Genocide against the Arabic People of Gaza. For example in a Letter by Ghislaine Maxwell, She had openly mocked the Arabic People by predicting their "extinction";

"*It is the year 2032, and a father and his son walk the streets of lower Manhattan. Approaching the site where the WTC used to be in the end of the 20th century, the father sighs and comments, "to think that right here usedto be the Twin Towers..." The son, not understanding, asks his father: "What are the Twin Towers?" The father smiles and looks at the son, and explains, "The Twin Towerswere two huge buildings that used to be here until 2001, when the Arabs destroyed them." The son looks up to his father, and asks, "And what are the Arabs?*"

Furthermore, collaboration between the US Imperialists and Saudi Arabia was manifested in Epstein's endorsement of Saudi and UAE interests in the Middle East in anticipation for Iraq's fall under US Imperialism as demonstrated in an Email to Aziza Alahmadi, the CEO of Boss Bunny Games in order to advise her on manipulating more young People for Pro-Saudi Campaigns;

"*the saudi vote is indicative of two major movements. 1) It is the social media that controls votes. not the PODESTA lobbying firm which is s0000 old school. . 2) The anti saudi sentiment allows wall street to charge more money for its services. and saudi has only played old school games. IT DOES NOT WORK anymore. 3. the timing of the bill is the weekend before the anniversary of the sept 11 attacks, and two months before elections. Solution is not easy but YOUNG people need to be brought on board. NOT the dinosaurs of the last century . ie 1990 s please note The information contained in this communication is confidential, may be attorney-client privileged, may constitute inside information, and is intended only for the use of the addressee. When Epstein's alliance with Saudi and UAE interests, on behalf of the USA, is linked together with the Statements made by Maxwell and Epstein, such as the invitation of Maxwell to a so called "Shadow Commission" on 9/11 [13], it is very much suspicious to know the involvement of American Capitalists

in their attack against Iraq, especially an Imperialist attack that they benefit from!
